"Creating Keepsakes Baby

8"x8" Scrapbook Kit"

"Free Shipping on this item! (use promotion code APRFSA625) Baby Kit: Brimming with soft pastels and adorable details, the Baby Scrapbook Kit is the ideal place for those most precious of memories: your earliest recollections on becoming a parent or grandparent, baby's first steps and everything in between. Scrapbooking is easy when you have a bit of guidance and the right materials - and that's just what you'll find in this Creating Keepsakes kit. From the album and paper, to creative embellishments and step-by-step instructions, you'll find everything you need to make your own 30-page album that highlights your favorite photos and memories. And if you're feeling short on creativity, don't worry - we've even included creative layout ideas for a little inspiration! And rest assured, your photos and memories will be safely preserved because every item in this kit meets the CK OK Archival Standards of Quality. With this kit and your memories, you're on your way to creating a keepsake that will be treasured for years to come.
